Note: Standard No. 5 of the Utah State Accountancy Act Rules governing CPE states: *CPE program sponsors of group and self-study programs must ensure learning activities are reviewed by qualified persons other than those who developed them to ensure that the program is technically accurate and current and addresses the stated learning objectives. These reviews must occur before the first presentation of these materials and again after each significant revision of the CPE programs. (i) Individuals or teams qualified in the subject matter must review programs. When it is impractical to review certain programs in advance, such as lectures given only once, greater reliance should be placed on the recognized professional competence of the instructors or presenters. Using independent reviewing organizations familiar with these standards may enhance quality assurance.*
